Re: Central Steel Drum Superfund Site,
Cost Recovery Agreement CERCLA-02-2003-2001

Dear Anthony:

The purpose of this letter is to notify you that the above Cost Recovery Agreement ("Agreement") becomes effective as of today. The Agreement was subjected to a public comment period of not less than 30 days, pursuant to Section 122(i) of CERCLA, 42 U.S.C. § 9622(i). The public comment period ended on June 23, 2003 and the Environmental Protection Agency ("EPA") did not receive any comments from the public.

Therefore, pursuant to Paragraph 10 of the Agreement, the Settling Parties are required to remit a payment of \$18,000 to the EPA Hazardous Substance Superfund in reimbursement of Response Costs within 30 days from today. Please make the payment via electronic funds transfer to EPA's account at Mellon Bank. I direct your attention to Paragraph 11 of the Agreement for payment instructions.

Thank you for your attention to this matter. If you have any questions, please contact me at 212-637-3148.

Sincerely,

Muthu S. Sundram

Dear Mr. Reitano:

Sub: Central Steel Drum Superfund Site, Newark, NJ

On August 4, 2003, your Firm remitted a payment of \$18,000 in settlement of EPA's response costs at the Central Steel Drum Superfund Site. The above payment was in accordance with the terms of the Cost Recovery Agreement # CERCLA-02-2003-2001 executed by your clients with EPA.

I am writing to notify you that for administrative reasons, the Index Number of the Cost Recovery Agreement has been changed from CERCLA-02-2003-2001 to CERCLA-02-2003-2031. The change in the Index number does not affect any terms of the Agreement executed by the parties.

Should you have any questions, please call me at 212-637-3148.

Very truly yours,
